Dear FRIENDS OF VISTA NOVA

Thank you for submitting your income tax return for the 2017 year of assessment. Your assessment has been issued and reflects an amount of R0.00.

Please note that this amount only reflects your income tax assessment and does not reflect tax payable under any previous assessment or any other balances on your account. For a statement reflecting your final balance (including all amounts payable or refundable under any previous assessment, refunds, payments, additional taxes/ understatement penalties, penalties and interest), please request your statement of account from SARS through the following channels:

- Electronically via eFiling
- Call the SARS Contact Centre
- At your nearest SARS branch

The final balance is reflected on the remittance advice at the bottom of the Statement of Account. Please note that interest accrues on all taxes payable after the due date so you are advised to pay in full on or before the due date.

The reference to additional tax/understatement penalty in this notice of assessment depends upon the circumstances.

- If additional tax was imposed before the commencement date of the Tax Administration Act (TAA) then adjustment to that additional tax may be made by an assessment issued in terms of the TAA after the commencement date of the TAA
- An assessment issued after the date of commencement of the TAA, in respect of any period that preceded the commencement date of the TAA, may be subject to the imposition of an Understatement Penalty in terms of the TAA as an "understatement" is considered to be a continuing act or omission in terms of the TAA
- An assessment issued after the commencement date of the TAA, for a period that commences after the commencement date of the TAA, may include the levy of an Understatement Penalty.

Below you will find the amounts of income included and deductions allowed in calculating this assessment. It is very important that you check these amounts to ensure:

1. They are correct
2. They reflect all your taxable income and allowable deductions for the year

If you are of the view that the assessment contains a processing, calculation or other error, you should submit a revised return.

If you are unsure as to how the assessment was concluded or the reasons for any of the adjustments made, you may within 30 days of this assessment, submit a Request for Reason using the form available at the branch or via eFiling. Alternatively you may write a letter requesting SARS to provide further information as to how the assessment was concluded. This letter must be sent per registered mail to the address at the top of this notice.
